*A broken person is a  
much more attractive leader to God,  
than one who doesn't know they are broken.*

*Lives Marked by Faith*

*A saying among management experts today is, "Your system is perfectly designed to yield the result you are getting." This is a profound though painful truth that must be respected by all who have an interest in Christian spiritual formation, whether for themselves as individuals or for groups or institutions.*

—Lives Marked by Faith—

*We who profess Christianity will believe what is constantly presented to us as gospel. If gospels of sin management are preached, they are what Christians will believe. And those in the wider world who reject those gospels will believe that what they have rejected is the gospel of Jesus Christ himself—when, in fact, they haven't yet heard it.*

# *A Life Marked by Faith*

- When life is failing you, chart a new course by exercising and demonstrating your faith in God.
- When life feels like you're just managing sin behaviors, return to the true Gospel of grace and mercy.
- When you find yourself on a dark road, know that God meets you there and invites you Home.
