

Not to Worry - Luke 12: 13 – 34

A Healthy Church consistently teaches and practices Kingdom Stewardship

How does a Healthy Church do this?

1. They embrace the foundational principle: God owns everything.

Ps. 24: 1; Isa. 42: 5

2. Therefore, they dedicate everything to God:

- a. Time:

- b. Talent:

- c. Treasure:

- d. Temple (the human body):

3. Further, they teach members to arrange all of life around Principles of Kingdom Stewardship. Luke 12: 22-34
