

Prepare the Leaders

2 Timothy 2: 1-2

A Healthy Church consistently identifies and develops ministry Leaders

How does a Healthy Church do this?

1. They recognize the extent of the need. Acts 1: 20-26
2. They craft and implement a reasonable process. Acts 16: 1-5
3. They invest adequate resources in the process. Isaiah 61: 3 - 4
